

# ACT 1 SCENE 1

## London: King Henry's palace

Enter the KING, LORD JOHN OF LANCASTER, EARL OF WESTMORELAND, SIR WALTER BLUNT, with others

KING We are gonna totally get fucked, but who gives a shit.  
England will no longer be a shit country.  
War will no longer fuck up England and the soldier's horses  
Will stop walking all over our lovely flowers.  
Let's invade the Holy Land! lol

WESTMORELAND Hey wassup buddy, I have some bad news lmao.  
This nobel dude called Mortimer was captured.  
All his men are killed. The enemies did so much  
shit I don't even want to talk about it.

KING fml how are we gonna invade the Holy Land now?

WESTMORELAND soz King, I have even shitter news to deliver. This (rather brave) faggot called  
Harry Percy aka Hotspur fought all these dudes. Unfortunately, the messenger  
was a pussy and ran away before the battle ended...so we don't know who won.

KING It's okay bro. My m8 Sir Walter Blunt just came and told me some good news.  
Yay! The Earl of Douglas has been defeated lmao. My mate saw 10k Scotsmen  
and 22 knights all dead. Meanwhile, that faggot Hotspur took all these men  
prisoners: \*insert long list here\* Oh that's a good catch.

WESTMORELAND Yeah bro, even a Prince would show off that catch.

KING Yeah brah, and that mek mi sad :(  
Why the fuck does Lord Northumberland have such an epic son (Hotspur). It  
makes me jelly as fuck. Basically everyone loves Hotspur. Whenever someone  
says good stuff about him, all I think about is my stupid son, Harry, and his  
reputation of being a dickhead. tbh I reckon a fairy came during the night and  
switched them! Anyways, what d'you think about Hotspur's arrogance? He wants  
to keep all the prisoners he has captured for himself. Like what the fuck bro?  
That's like one of you plebs kidnapping a kid and keeping them prisoner in your  
home. That son of a bitch is meant to turn in those prisoners to me!!!!  
FUARRR!!!

WESTMORELAND dw... his uncle Worcester made him do that. He's a dickhead remember?

KING I've sent for Hotspur to explain himself. We'll have to postpone the plans for our  
crusade to Jerusalem. Go tell my advisers that our next meeting will be on  
Wednesday cos I'm too pissed off atm.

WESTMORELAND Yeah sure bro
