HOTSPUR Even if Satan wants the prisoners, I wouldn't give it to him

NORTHUMBERLAND wtf?

Enter WORCESTER

HOTSPUR I love Mortimer. I'm gonna fight for him and make him more powerful than this faggot king Bolingbroke

NORTHUMBERLAND (to WORCESTER) hey bro, the King made ur nephew go nuts

WORCESTER Meh... don't worry. Wait didn't the old King Richard II say that Mortimer was gonna be the next king?

NORTHUMBERLAND Yep. But nek minnit he got desposed and killed!!!

HOTSPUR Wait wtf? My bro Mortimer was next in line for the throne?

NORTHUMBERLAND yea

HOTSPUR It's not fair that you helped King Henry become king, and now he's trying to kill you? That's like blaming a gun for murder. It's the person who pulled the trigger that is to blame. Don't just watch people bitch about you. Fight back. The history books say that we are faggots who overthrew lovely Richard and helped the cunt Bolingbroke become King, but we should stand up to that. Take revenge against this King who treats us like shit.

WORCESTER stfu nephew. I have a dangerous secret plan with lots of adventure and risks

HOTSPUR Oh cool, time for me to be honourable. Only honour is important, it doesn't matter how dangerous it is.

NORTHUMBERLAND Dreaming about honour is making you cry

WORCESTER Those Scotmen you have taken prisoner –

HOTSPUR I will keep them all. The King will never have any no matter what. NEVER!!!!

WORCESTER pls listen

HOTSPUR The King banned me from talking about Mortimer. But I'm gonna full make fun of him by screaming Mortimer and getting birds to say Mortimer just to piss him off.

WORCESTER Nephew, just listen please.
jfc me and Northumberland are tired of your shit. Your outbursts are so fucking annoying

HOTSPUR From now on, the only thing I will do is piss off the King and his loser son, Hal. I really want to poison Hal, but I reckon the King hates his son anyway, so killing Hal will only make the King happy.

WORCESTER Bye nephew. I'll talk to you when you're not so retarded.

NORTHUMBERLAND (to HOTSPUR) yeah you're an impatient and short tempered fool like women on PMS. Only listening to their own voice

HOTSPUR I still remember the first time I met King Henry. It was back when Richard was still alive. I can't believe I bowed to Henry. He even praised me back. He called me "gentle" and "kind". FUCK HIM! HE SHOULD GO TO HELL

WORCESTER I want you to release your Scottish prisoners. Become friends with Douglas and raise an army. [*To Northumberland*] Sir, become friends with the Archbishop of York, the noble churchman. He's sad that the King killed his brother.

HOTSPUR Excellent we have a large army. This plan should def work. Our armies will merge and join Mortimer. Our plan is amazeballs

WORCESTER We should work fast. The king will want to kill us. He has already started. Await for further instructions.

HOTSPUR Okay uncle. It won't be long until war.

Exeunt
