

ACT 2 SCENE 3
Warkworth Castle

Enter HOTSPUR alone, reading a letter

HOTSPUR (reading) “Hey Hotspur, I’d love to help u with ur rebellion but it’s v dangerous, ur allies are sus, and ur army is too small. Soz.” Wtf? Dangerous? Yeah no shit it’s dangerous. Out of this nettle, danger, we pluck this flower, safety. That’s literally how it works. Our plan is the best plan ever and our friends are legit. This guy is such a pussy. I bet he’s gonna snitch to the King right now. Whatever. We’re going tonight.

Enter LADY PERCY (KATE)

HOTSPUR Hey Kate. I’m leaving in two hours.

LADY PERCY Excuse me??? For the past two weeks u haven’t eaten, u haven’t slept, and u haven’t touched me. U just stare at the ground. And when u do sleep, u talk in ur sleep about trenches and cannons and “COURAGE! TO THE FIELD!” and u get all sweaty. Wtf is going on Harry?

HOTSPUR (to a SERVANT) Oi, is my horse ready?

SERVANT Yes my lord

HOTSPUR Noice

Exit SERVANT

LADY PERCY Are u even listening to me??? Tell me what’s going on or I’ll break ur little finger.

HOTSPUR Get away from me u trifier. This isn’t a world for dolls and kisses. We need bloody noses and broken crowns. Where’s my horse??

LADY PERCY So u don’t love me anymore? fine. Do u love me or not? Be honest.

HOTSPUR When I’m on my horse, I’ll swear I love you infinitely. But don’t ask me where I’m going. I trust you Kate, but I’m not telling you any secrets. U can’t spill what u don’t know lol

LADY PERCY wow ok

HOTSPUR Where I go, you go too. Today I leave, tomorrow you follow. Happy now?

LADY PERCY I guess I’ll have to be.

Exeunt
