

## ACT 4 SCENE 2

### A road near Coventry

Enter FALSTAFF and BARDOLPH

FALSTAFF Bardolph, go ahead to Coventry, and get me some wine.  
Our army will get there by tonight.

BARDOLPH How am I meant to afford wine?  
Give me some money

FALSTAFF Nah use your own

*Exit Bardolph*

FALSTAFF I am very ashamed of my army. If I'm not, I'm a dumb fuck.  
I am a terrible leader and took advantage of my position.  
I've conscripted 150 men and got paid shit loads of money.  
I looked for the rich cunts who paid me good money to  
get out of the army. Then I recruited the wimps who can't  
fight for shit. My men are the shittiest of the shit. They've  
never been soldiers. We're the biggest bunch of pussies  
anyone has ever seen.

*Enter the PRINCE, [and the] LORD OF WESTMORELAND*

PRINCE Wassup Sir John Falstaff

FALSTAFF Hey Hal, you crazy boy! Why the fuck are you in Warwickshire? And  
Lord Westmoreland, I thought u were already at Shrewsbury.

PRINCE I'm full pumped for war. My army is ready and the King is waiting for us.  
We must march all night.

FALSTAFF dw about me. I'm just a thief.

PRINCE Aye you've stolen so much. btw who's solders are those?

FALSTAFF errr... mine

PRINCE \*looks at soldiers\* they're such pussies

*Exit*

FALSTAFF Tut, tut, good enough to die. They're pretty much cannon fodder.

WESTMORELAND They look like hobos, so povo

*[Exit]*

FALSTAFF idek why they're so povo but it aint from me. Meh. I'm hungry. Who cares about going into battle. Can I have some food?

*[Exit]*
