

## ACT 4 SCENE 3

### Shrewsbury: the rebels' camp

Enter HOTSPUR, WORCESTER, DOUGLAS, and VERNON

HOTSPUR and DOUGLAS We'll fight him tonight. We can't give him the advantage. He might have backup later.

VERNON and WORCESTER No don't. We're not giving him an advantage.  
Nephew pls, no fight yet.

DOUGLAS Ur advice is shit cos ur a pussy

VERNON Fuck you. My advice is good and based on logic and careful consideration.  
We'll see who's right tomorrow when u get rekt.  
My cousin has yet to arrive and Worcester's horses only arrived yesterday.  
They need rest for strength

HOTSPUR Our horses are fine. It is the enemy's horses that are weak.

WORCESTER The king has more men. For fuck's sake nephew... just wait  
*The trumpet sounds a parley*

*Enter SIR WALTER BLUNT*

BLUNT The King wishes to bribe you.  
Tell us what you're pissed at and  
he'll try his best to fix it.

HOTSPUR The King is nice for offering,  
except he doesn't keep his promises.  
We helped him become king and we supported him always.  
Then he wanted power and nek minnit overpowered and  
killed King Richard, and locked up Mortimer.  
Basically the King is a massive cunt on every level.  
This is why we are raising an army to rebel against him.  
Who does the throne truly belong to?

BLUNT So should I tell the King you rejected his bribe?

HOTSPUR Nah nah gimme some more time

BLUNT I hope you accept his offer

*[Exeunt]*
